**INTERNATIONAL  
TWINNING  
Policies & Procedures  
Manual**

**2019**

# Preface

These Policies and Procedures are the standards for all countries and are to be used in their Twinning Procedures. Accommodation can be made for procedures for/ of (of to replace for) each country. Note that Twinning should be, and is mostly, Conference to Conference or Council to Council. Some countries, however, are not Twinned this way.

Conferences and Councils help others in need, both at the National and International levels. This is one of the activities most cherished by the Society. The awareness of acute poverty in a great number of countries and the Vincentian preferential option for the poor spurs Conferences and Councils to assist others with less resources or in particular situations.

This direct link between two Conferences or Councils, consisting of: sharing prayers, a profound friendship and material resources, is called “Twinning”. The activity of Twinning contributes to world peace through understanding and cultural exchanges amongst peoples. The most vital and essential part of the Twinning partnership is regular communication between Twinned Conferences and Councils at least annually.

*When drafting their own Policies and Procedures, National Councils must follow and adopt these Policies and Procedures into their own document.*

No part of these Policies and Procedures may be amended, or otherwise altered, without the written permission of the International Twinning Commission (ITC).

## **VISION**

That all Conferences and Councils be Twinned. Thus, creating a unique global network of charity, love and solidarity; dedicated to sharing the necessities of life with as many of Christ's poor as possible.

## **AIMS**

Twinning has three aims:

1. To help spiritually, morally and materially Conferences and Councils so as to:
  - Continue to alleviate misery and hunger
  - Promote justice in adherence to the social teachings of the Catholic Church
  - Animate solidarity within the Society globally

2. To facilitate communication between Conferences and Councils globally, promoting a spirit of understanding, friendship and solidarity among all Vincentians.
  
3. To promote the establishment of new Conferences and Councils by helping them in their formation, training and expansion.

## **PHILOSOPHY**

In the understanding of solidarity our philosophy within the Society is to work within our Rule.

Accordingly, all disbursements of Society funds for overseas aid or development including, but not limited to Twinning, projects, disaster relief and relief programmes, must be disbursed through the Society via National Councils.

It is the responsibility of all National Councils to ensure that this policy is observed.

**Twining** is *“The awareness of acute poverty in a great number of countries and the Vincentian preferential option for the poor, spur Conferences and Councils to assist others with fewer resources. The activity between two Conferences, Councils, or a fundamental activity of the Society, is the expression of Vincentian fraternity and solidarity.”*

# Part 1 - Introduction

## 1 A HISTORICAL BACKGROUND

The concept of mutual assistance dates back to the beginning of the Society in 1833. The Council General International (CGI) officially launched Twining, as a formal program, in 1954. In 1979, Twining was reinforced at the International level when those present at the ‘Plenary Meeting’ of the CGI declared that, **“all monies collected in the name of the Society anywhere, belong in principle, to the poor of the world.”**

## 1 B INTERNATIONAL TWINNING COMMISSION

The International Twining Commission is the governing body of Twining created by the President General in 2011 to foster and enhance Twining worldwide.

The ITC is composed of the International Twining Commission Chairperson, with Coordinators from the Americas, Europe and Middle East, Africa, Asia, Oceania and appointed members.

All of the above are appointed by the President General for a two year term.

## 1 C ROLE OF THE INTERNATIONAL TWINNING COMMISSION COORDINATOR

The International Twining Commission Coordinator (ITCC) reports to the CGI through the Vice President General of CGI, as well as, attends CGI Structure Meetings.

The Terms of Reference of the ITCC include, but are not limited to, the following:

1. Continually update the International Twining Policies and Procedures Manual to ensure that the contents are relevant and current to reflect changing needs.

2. To work with ITVPs/Co-ordinators and National Presidents on issues of Twinning
3. Promote and monitor the progress of Twinning in all countries
4. To provide reports to the Vice President General of CGI Annually.
5. To establish and maintain a database for all Twinning.
6. To draft a set of guidelines and procedures for the safe transfer of funds between donor and receiving Countries.
7. To attend all International Meetings as required All expenses to be approved by the Vice President General of CGI.
8. All other appropriate matters as may be advised by the Vice President General of CGI.

#### **1 D ROLE OF THE COMMISSION MEMBERS FOR INTERNATIONAL TWINNING/INTERNATIONAL TWINNING COORDINATORS**

The International Twinning Coordinators from each region report to the ITCC.

1. To assist the ITCC to continually update the International Twinning Policies and Procedures Manual to ensure the contents are relevant and current to reflect changing needs.
2. To work with ITVPs, Zone Coordinators and National Presidents on the issues of Twinning in the areas for which they are responsible.
3. To promote and monitor the progress of International Twinning in their area of responsibility.
4. To provide reports and advice to the ITCC on needs of National Councils or Conferences when required.
5. Establish and maintain a database of all Twinning in their area of responsibility and report to the ITCC as required.
6. Assist the ITCC to draft a set of guidelines and procedures for safe transfer and acknowledgement of funds between donor and receiving countries.
7. Provide updates and support to the ITCC in all aspects of Twinning.

8. Attend International Meetings as required. All expenses are to be approved by the ITCC.
9. All other appropriate matters as may be advised and requested by the ITCC.

## **Part 2 – International Twinning Procedures**

### **2 A TWINNING REGIONS**

Council General International (CGI) designates certain donor National Councils to be the Twin in specified countries because of the language, proximity, cultural and historic relationships and other appropriate reasons.

Councils and Conferences (including historic relationships) who wish to Twin outside these arrangements can only do so with the approval of the donor and receiving National Councils and after consultation with the International Twinning Commission Coordinators of the respective regions.

*Historic relationships* (that is relationships that existed prior to establishment of the new regional boundaries) outside the designated regions may be maintained. The International Twinning Coordinator for the donor country must be consulted to ensure that there is no duplication of support given to individual Conferences.

Designated Twinning Regions are:

- North, Central and South America
- Europe and Middle East
- Africa
- Asia
- Oceania

(See Appendix D, *Regional Twinning Maps*)

### **2 B AUTHORITY OF NATIONAL COUNCILS**

All requests for Twinning must be directed through the Twinning Coordinator of the National Council.

Receiving Conferences can only have one Donor Twin. However, because of the large number of Conferences and/or Councils in need, Donor Conferences and/or Councils are encouraged to support more than one Twin.

Receiving countries may receive support from more than one Donor country within their designated regions.

## **2 C THE TWINNING COORDINATOR**

Every National Council involved in International Twinning must appoint a Twinning Coordinator (see Appendix E, *Role of the National Twinning Coordinator*) and inform the appropriate International Twinning Commission Member, as soon as possible, of that appointment including contact details. The Twinning Coordinator should not be the President or hold any other executive position of the National Council.

Copies of registers and records are to be forwarded to the International Twinning Commission annually and/or upon request.

National Councils should have an active committee of members that is responsible for Twinning. Such committees must keep a register of all Twins, Twinning activities and other appropriate records.

## **2 D AGGREGATION & INSTITUTION**

All Councils and Conferences involved in Twinning must be instituted and aggregated respectively.

Councils and Conference seeking Twins must provide full details of their contact address and the full name of their correspondent/contact.

## **2 E COMMUNICATION BETWEEN TWINS**

Communication must take place between the donor and receiving Councils or Conferences on at least an annual, basis to share activities, build bonds of friendship and to acknowledge receipt of Twinning funds (See *Communication Form* in *Section 6, Report and Application Templates*).

Communication must be both sent and received to avoid fears that a Twin has gone into abeyance when no response is received.

A Conference/Council must advise its Twin when its correspondent and/or address have changed. Where it is not possible for a Conference to communicate regularly, the appropriate Council should contact their Twin at least annually.

Posted letters have generally been the main method of communication but, where the possibility exists, e-mail communications should be encouraged. Some countries have adopted a central mailing address, so that all incoming

correspondence goes to a National Office, or a Central Council Office, for disbursement. Twins could also be encouraged to exchange greetings, particularly on Feast Days, or other significant dates, by text message.

## **2 F SURRENDER OF TWINS**

Whenever possible, receiving Conferences/Councils should strive to become self-sufficient.

Financial support should therefore be reviewed jointly by the Twinning Coordinators of the donor and receiving countries every 3 years to ensure that financial support is being channelled to Conferences in the greatest need.

When, in the opinion of the receiving National Council, a Council or Conference has become financially self-sufficient, it should surrender the monetary assistance part of their Twinning relationship. Other established fraternal links may continue with the Twinning partners.

Other than in the case of Surrender of Twins, the receiving National Council may not change the receiving Council or Conference without prior consultation and agreement of the donor National Council.

## **2 G INACTIVE/CLOSED CONFERENCE**

In the event that a Conference, which is in receipt of Twinning funds, ceases to function effectively or closes, the receiving National Council must inform the donor country and the International Twinning Commission immediately. In turn, the International Twinning Commission Chairperson will report to the Secretariat of Council General.

## **2 H SUSPENSION OF COUNCIL OR CONFERENCE TWINNING (not National)**

When, in the opinion of the donor National Council, a receiving Council or Conference has repeatedly failed to comply with the provisions of the Policies and Procedures, or for some other serious cause, the Twinning Coordinator of the donor country will suspend Twinning.

Such suspension of Twinning will only be as a last resort and after every attempt towards resolving any problems, by the Twinning Coordinators and ITVPs, with the receiving National Council has occurred.

Any receiving Council/Conference, who wishes to appeal any such suspension, may do so through its National Council to the Twinning Coordinator of the donor National Council. If the issue is not resolved at this level, the International Twinning Commission may arbitrate on the matter.

Local Councils/Conferences are not to suspend a Twinning relationship without approval from their National Council.

Suspension of a National Council's Twinning, should major concerns arise, must be referred to the International Twinning Commission/Coordinator in consultation with the International Council Vice President General. The higher body within the Society may then recommend suspension of the Twinning relationship.

## **2 I REPORTING**

Every National Council (Donor and Receiver) involved with Twinning must prepare a report on their Twinning and Project activities, including statistical and financial information, by February 28th every year (See *International Twinning Commission Donor Country Report* and *International Twinning Commission Receiver Country Report* in Part 6, *Report and Application Templates*).

A copy of this report will be sent to the International Twinning Commission.

## **2 J SOCIETY FUNDS FOR SOCIETY WORK**

Twinning can occur only between Society Councils and Conferences. **Twinning funds cannot be given to other organisations or third parties for distribution for work outside of the Society.**

No Vincentian can personally benefit from Twinning.

All receiving Conferences/Councils are responsible to their National Councils for the proper distribution and utilisation of Twinning funds.

## **2 K FREQUENCY AND AMOUNT OF TWINNING**

Both the donating and receiving National Councils of the countries concerned, in a spirit of charity, solidarity and dialogue, will determine the amount, type and frequency of Twinning assistance given by a Council or Conference.

Any such decision must preserve equity in the receiving country. In any one receiving country the maximum number of Councils and Conferences should be Twinned.

Sums in excess of 500 Euros quarterly intended for an individual Conference must only be sent for a Project (refer pg. 21).

Frequency of funding for regular Twinning may be quarterly.

## **2 L TYPES OF TWINNING**

### **Financial**

Twinning should be, and is mostly, Conference-to-Conference or Council-to-Council. There are cases where Twinning links can be developed between Councils. In these cases funds are sent for general support or specific purposes.

### **Non-financial**

Non-financial Twinning may also be entered into. A Twinning relationship based on the exchange of correspondence and linkage by prayer is also encouraged.

The Spiritual aspect of Twinning should be recognized by each Twin, praying for its Twin at their meetings and by offering a special mass for its Twin on their Twin's Feast Day.

## **2 M DISTRIBUTION OF FUNDS**

All contributions to Councils and Conferences must be forwarded through the National Councils in order to ensure security and accountability. The receiving National Twinning Coordinator must also be advised of the transfer.

All funds transfers should be to an account of the receiving National Council and whenever possible completed electronically. Such accounts shall have at least three signatories, of which at least two must sign. Where possible, the National Twinning Coordinator should be a signatory.

In extraordinary cases, where a National Council is not operating or Twinning has been suspended, the International Twinning Commission may authorise alternative arrangements for the timely assistance of those in need.

Countries with less than ten (10) Conferences may have funds transferred to a designated, secure bank account. Countries with more than ten (10) Conferences must form a National/Superior/Coordinating Council in order to continue Twinning. In both circumstances there must be reporting on an annual basis of all expenditure.

## **2 N RECEIPT OF FUNDS**

On each occasion, when funds are given, the receiving National Council through the National Twinning Coordinator shall give evidence of receipt of the contributions to the donating National Council within 30 days.

The receiving Conference should receive the Twinning funds within 90 days from the higher Council.

## **2 O USE OF FUNDS**

Receiving National Council must not use any part of any contribution for its own use; such as handling or administrative charges. If any such claim of funds is to be made, it requires the prior consultation and agreement with the Donating National Council through the National Twinning Coordinator.

Those receiving Twinning assistance should have a clear understanding that the contributions from their Twinning brothers and sisters are not intended to cover all financial needs, but are to supplement their own efforts. The intention is for the receiving Conference/ Council to strive to become self-sufficient so that the Twinning funds can be passed onto a more needy Conference.

## **2 P INTERNAL TWINNING**

When there is opportunity for Conferences under the same National Council to assist each other, they should be encouraged to do so.

While these Policies and Procedures may be used to guide such Internal Twinning, the ultimate governance and operation of these arrangements lies with their own National Councils.

# Part 3 – Projects

Projects are identified as either Development or Welfare as defined below:

**Development** projects are those that create sustainable and meaningful change by supporting the long term community development and prosperity. These are projects in which the local community is empowered and educated to be independently sustainable in the long term without the continued support of the donating Conferences or Councils.

**Welfare** projects are those that provide for the basic needs of an individual or community and may require ongoing support from the donating Conferences or Councils.

Projects are proposed by Conferences/Councils to their National Council for approval. They should encourage community self-help, compliment the developmental needs of the receiving country, provide resources to the Conferences/Councils in need and encourage accountability and good management.

Sums required by a receiving Conference or Council in excess of 500Euros quarterly must be requested in the form of a Project Application.

Approved projects are submitted to the donor country's National Council with a request for funding.

One-time development projects need to demonstrate to the Donating National Council that they are sustainable for the life of the project.

Ongoing development projects need to demonstrate to the Donating National Council that they will eventually become self-sustaining.

Conferences/Councils receiving welfare projects must provide an agreed (by donor and receiver Conferences/Councils) annual budget and must not retain excess funds (see *SSVP National Project Application in Part 6, Report and Application Templates*).

When project funds are used to purchase substantial goods or properties, such as hostels or farms, etc, such purchases shall be legally certified in the Society's name. When this is not possible, for example due to the laws of a particular country, the Catholic Diocese would be asked to hold Society assets in trust subject to an agreed legal arrangement. CGI should retain a copy of Title of these properties.

Project Reports of the amount of funds received and how funds were used for the project must be sent to the Donating National Council within 12 months of receipt of project funds (see *SSVP National Project Completion Report in Part 6, Report and Application Templates*).

# Part 4 – SSVP Partnerships

## 4 A OTHER SOURCES OF FUNDING

Twinning Commission collaborates with International Territorial Vice Presidents (ITVPs).

The ITVP may suggest where to source possible alternative funding, for example, ***CIAD and other NGOs***.

## 4 B COUNCIL TO COUNCIL PARTNERSHIPS

All Councils need resources for the effective operation and administration of the Society in their countries.

When National Councils have Twins, these Councils should develop a Twinning partnership with the relevant National Council in the receiving country.

Such Council-to-Council partnerships can provide funds that will assist in the formation, training and other administrative needs of that country.

## 4 C COUNTRY TO COUNTRY CONTACTS

Twinned National Councils are encouraged to meet periodically in each other's country and Regional meetings. The National Twinning Coordinators have a role to play in this context.

These visits will help develop a deeper understanding of a country's needs, foster solidarity with its Twin and provide Twinning training.

Any member of the Society, who wishes to visit their Twin, must have the prior approval of both National Councils concerned (see Appendix F, *Visiting Policy*).

## 4 D DISASTER RELIEF

When a disaster occurs in a country, their donating Twins and Council General International should work together to respond. Donor National Councils sending funds to Twinned countries in response to a disaster should notify Council General International immediately.

If Council General International does not distribute funds passed on to them for the nominated disaster, the funds will be held in a dedicated account for that country; the donating country will be advised of this.

Where non-Twinned countries wish to respond to a disaster in another country funds must be channelled through Council General International.

# APPENDIX E – Role of the National Twinning Co-ordinator

This is basic role description and may vary slightly from Country to Country.

- To liaise with the Donor Country Twinning Co-ordinator to ensure that the Donor and Receiver Twinning lists are maintained accurately and updated regularly.
- Maintain a list of Conferences available for Twinning and allocate same as requested.
- Notify Receiver Twinning Co-ordinators of changes to the Twinning lists twice yearly.
- Check that Twinning monies are collected and forwarded overseas by the due date.
- Promote the Twinning Program through regular articles, updating material and undertake new initiatives for expanding the number of Twins and assistance provided.
- Liaise between Donor and Receiver Twinning Co-ordinators regarding
- breakdowns in communication and other matters related to Twinning relationships.
- Report to the International Twinning Coordinator on Twinning matters, and annually by 28 February forward Donor/ Receiver Twinning reports.

- The Co-ordinator to be the intermediary for receipt and sending of reports and photos when the receiving Twin does not have access to the internet, or is not able to use the internet, or is unable to communicate in a common language.

## **APPENDIX F – Visiting Policy**

### ***AIMS***

- Raise cultural awareness and needs of Vincentians.
- Inspire members to a commitment to Twinning.
- Improve communication and Twinning methods.
- Must benefit the Society in both countries.

### ***WHEN TO VISIT***

- When there is an obvious need in both countries.
- When a visit will result in supporting the poor.
- When the country has capacity to host a visit.
- When we are sure the country wants a visit.

### ***WHICH COUNTRY TO VISIT***

- All Twinned countries are of equal importance and visits based on need.
- Need for a visit must be obvious.
- How recently have we visited the country?
- When did we host a visit from the country?

### ***HOW OFTEN TO VISIT***

- Consider the needs of Twins.

- Consider the burden of hosting a visit, e.g. cost to the locals.
- One visit every five years would be reasonable.

### ***WHO SHOULD VISIT***

- A Vincentian leader representing National Council.
- A Vincentian who is culturally aware of the country visited.
- Vincentians with an acceptance of other cultures.
- Vincentians committed to Twinning.
- Conference members committed to fostering Twinning based on the visit.
- Vincentians prepared to undertake future leadership roles in the Society.

### ***USE OF SOCIETY FUNDS FOR OVERSEAS VISITS***

1. No funds can be committed by the Society for overseas travel without the prior approval of the respective Higher Council.
2. There are limitations on the amount of Society funds that should be used for overseas visits and this must be looked at on a national level.
3. Prior notification must be given to the National Council on all proposed overseas visits in the ensuing 12 months.
4. Members **must not**, under any circumstance, commit to financial or material support from Society funds while visiting overseas.

### ***PRIVATE VISITS***

Many members in the course of overseas holidays or business trips wish to contact their Twinned Conferences. This is to be encouraged. In making such visits, Society members must ensure that they do not place unnecessary expectations on local Society members. In addition, members **must not, under any circumstance**, commit to financial or material support from Society funds.

Members making such visits are asked to advise the National Council of their intention of making such a visit. In this way the National Council in the country being visited can be made aware of the proposed visit. This saves any embarrassment to the visitor or Society members in the country being visited and facilitates the making of arrangements by the Society in the country being visited.

## ***SECURITY***

No Council should approve any visit that may put any Vincentian in any country at any personal risk.
