Dear fellow members of the Society,

It is with great pleasure that we offer you this flyer, which is the result of a consultation with all the Conferences and Councils throughout the world. It expresses the Mission, Vision, Shared Values and Strategic Goals of the International Council General for its mandate, 2016-2022. Truly, our **mission** is the essence of the Society, its reason for being, our **vision** is a broad view of what we would like to achieve (some people say that “the vision is a dream with a deadline”) and our **values** support the Society in its decisions and behavior. Finally, our **strategic goals** will guide our focus in the years ahead, so that we work as a team to accomplish those objectives in different ways.

Let’s try, as a community of faith, to promote them in all we say and do.

Please, carry this folder in your wallets and pockets, so that we may have a single voice.

Very fraternally,

Brother Renato Lima de Oliveira
16th President General
October, 2017
